The change is the result of a U-Name-It contest staged by Myrtle Rockas the proprietor.

Fireworks Display To Be Held At Portuguese Bend Club Pier

Climaxing a four-day Fourth of July celebration, the Portuguese Bend Club will present a half-hour, rapid fire fireworks show from the end of the Club pier on Tuesday, July 4. The public is invited to view this colorful Independence Day Event. Manager Ray Stager announced today that the fireworks show would start as soon as it is dark, around 8:30 p. m. He revealed that the show will include three huge set pieces—one to open the show—and two to close it, plus hundreds of sky-rockets, torpedoes and other pyrotechnics that will explode high in the air above Portuguese Bend.

The fireworks display will be fired over the Bend off the end of the Portuguese Bend Club pier. It will be visible from sea level to the 1480 foot crest of the Palos Verdes hills.

Sheriff's deputies advise that persons planning on seeing the free show arrive early so they can get set on overlooking vantage points before dark. Early arrival also is suggested to avoid traffic congestion. Best routes to the viewing area are via Palos Verdes Drive East or Crest Road.

This year's Fourth of July fireworks display will be three times bigger than the 1940 show which drew an estimated 30,000 people. Public response to last year's event prompted the Club to triple its fireworks budget, Stager said.

Four days of entertainment and competitive events for Club members will precede the fireworks finale. The program includes sailing, paddleboard, swimming, fishing and paddle tennis competition, children's events and a shoreline weenie bake, an Hawaiian luau, dancing, and a Fourth of July buffet supper.

New Hospital Jobs

TORRANCE — The chief administrative officer of Los Angeles County has recommended to the board of supervisors that 12 new medical positions be opened at Harbor General Hospital. Supervisor Raymond V. Child Care Center to Be Painted

The Torrance School administration recommended to the State Department of Education that the Child Care Center be painted. The recommendation was based upon the fact that the District operated well within the budget for the fiscal year 1949-50. The State Department approved the request.

Cotton & Bardwell 723.00

Deadline Set For June 30

Miss Helen K. Dill, counselor at the Torrance Veterans Service Center warned WW II Veterans that the deadline for applying for automobiles for amputees and certain other disabled veterans is June 30, 1950. The law means, briefly, that eligible veterans are those who have "suffered the loss or loss of use of one or both legs at or above the ankle resulting from injuries incurred in World War II service.

VA will pay the cost of the automobile, not to exceed \$1600 in individual cases.

Tech Gridmen Must Enroll By August 31

Restrictions Hold Up YWCA Club House

Work on the Torrance YWCA Club house will have to wait until restrictions on the site have been eliminated according to City Attorney, C. D. Smith, this week.

The site, a 2.9-acre triangle at Carson and Plaza Del Amo, was originally deeded to the city by the county for park purposes only. The city is going to deed it back to the county, which in turn will write a deed to the city without the restrictive requirement.

About \$11,500 has been raised by the Junior Woman's Club for the building.
